

About cookies

Cookies

This website uses cookies. A cookie is a text file that is stored on the user unit, and is used to improve the functionality of the website.

Use of cookies

According to the law (2003:389) about electronic communication, all those who visit a webpage using cookies are to be notified of the use of cookies. The website jobcastapp.com uses text files that are stored on your laptop or mobile to analyse how users navigate on the webpage. The information that is stored by our cookies through your use of our website (including your IP-address) will never be traced, tracked or linked to any personal information about you.
